

Volcano

The Volcano has everything you need on your terrace or balcony. In the evening, after baking, grilling and cooking, you can continue to enjoy the warmth this outside stove produces.

And you can enhance your outdoor stove with a butler's table (for extra space), a stainless steel steam-cooking set, and a cast iron grilling plate:

Weight	Overall height	Height stove	Material stove	Material stove pipes	Colour	Diameter stove
ca. 45 kg	ca. 144 cm	ca. 55 cm	Cast iron	Steel	Black	42 cm
