

Krakatau

A lovely addition to your garden, terrace or balcony, perfect for spending many enjoyable hours together. The Krakatau is equipped with a special grid which makes it possible for you to also cook and grill on charcoal.

There are various accessories which can be ordered, the cast iron grill plate which fits perfectly in the ring of the top plate, the stainless steel steam-cooking set and the very handy butler's table, making sure all the necessary utensils are at hand when cooking:
